# Freedom Festival

## September 28 & 29, 2017

### What is it?

The Freedom Festival is a celebration of voices that aren't normally heard. It's a festival to celebrate freedom for everyone including those coming home from correctional facilities. This event will bring awareness to the need for basic human rights, social justice and equality, and stigmas associated with incarceration.

Come join us for the exciting two-day extravaganza filled with guest speakers, artwork, food, theatrical and musical performances, and resources.

### How can I get involved?

**DONATE/VOLUNTEER:** we are looking for creative ideas, energy, and other ways to make this a great event

**ARTWORK/PERFORMANCES:** be a part of the festival by showcasing your talent

**ORGANIZATIONS:** we are looking for organizations to provide information on employment, resources, services, etc.
