

Underground Scholars Initiative

Presents

Forgotten Population of Higher Education

Formerly incarcerated students exist here at UCR. There is a need for support and resources that is currently non-existent. Join us in learning how to properly support these students as we listen to their narratives and learn about organizations that are attempting to help this underrepresented population.

February 28, 2019

Time: 3:00pm - 5:00pm

HUB 302 South

Please RSVP by going to the following link:
